

## Train Committee

The Train Committee is appointed for the purpose of providing advocacy and support to efforts at increasing and publicizing train service within the Town of Exeter. The Committee's efforts in the past led to the reactivation of the Downeaster Train in 2001 with service through Exeter. The group works closely with the Board of Selectmen and Town administration on developing plans for enhancing the station, and assisting in its upkeep and operation.

The Train Committee Meets Once Monthly.
